Planning Board partially approves PRD zoning

The Wilmington Planning Board has prepared a new article for the town meeting, for Article 39, Planned Residential Development Districts, and Chairman Lou Maglio told a public hearing Tuesday night, that the Planning Board at least in part approves of the concept which had been presented.

The presentation of the article was by Paul Butt of Kilmarnock Street. He has an option on 21.5 acres of land northerly of Route 62 and westerly of Route 93. In that land he wants a new zone. Planned Residential Development, to construct condominiums, each worth about \$45,000. Butt was represented by Jack Walkie, Esq. of the firm of Choate, Hall and Stuart of Boston.

Mr. Butt opened the discussion before a room filled with about 80 persons, and discussed the advantages as he saw them of Planned Residential Development. He was speaking to people who were skeptical of the arguments. Butt said the town would have a better return from the condominium type development he proposed. The people did not necessarily agree.

The discussion was carried forward Jack Walkie, an attorney from Duxbury.

Walkie told the meeting that he was on the Finance Committee in Duxbury when this type of development was first proposed in his town. He, Walkie, was not impressed, and basically felt he should vote against PRD, but when he had investigated he changed his mind. It is a type of zoning which has been accepted in several towns, he told the meeting, among them Dover, Topsfield and Wellesley.

Walkie discussed the lot of land, which is proposed in Article 40, relative to finances of the town, in

what he called "an alternative to normal zoning."

On that lot of land one could get, he said, perhaps 20 houses, each paying about \$3,000 a year in taxes. That meant \$60,000 a year to the town. There would be three bedroom houses, with probably two children at least, on an average in those houses. Those children would cost \$1200 or \$1300 apiece for schooling, which wouldn't leave much for the town.

On that same lot of land, Walkie said, one could build 70 units of condominium housing, one or two bedrooms. They would be paying \$2000 apiece in taxes, or \$140 to \$150 thousand a year, and there would be many less children for the town to educate. The condominiums would also cost the town less because those places take care of their own rubbish collection and snow plowing. The net result is a considerable savings to the town.

The proposal that was being presented, Walkie said, was that of 1972 in Wilmington, which the Planning Board had presented and which the town had defeated.

Walkie was answered at first by Joe Hanrahan, one of the abuttors to the land proposed. Mr. Hanrahan thought

the town would be done a better service if "this law was really thought out by the Planning Board."

Hanrahan was followed by Mr. Quinno of West Street, who spoke of the shortage of homes suitable for young people. He has two sons who have to live elsewhere, he said. Quinno thought the development should be "geared toward the young people."

Lou Maglio then spoke up. Mr. Maglio is the chairman of the Planning Board.

"I think the concept is a good one," Maglio said. "I do not think the tim-

ing is right, and I hate to see something as advanced as this."

He went on to say that there were some good PRDs in North Andover, Peabody and Topsfield. Of the first 30 units in North Andover, Maglio said, there was only one family with a child. "It is a good concept, if you don't close your eyes."

"I am not saying that the Planning Board supports this article, but there are concepts like this which are not bad."

The article to be argued in the town meeting will differ considerably from that printed in the warrant. There have been many changes in the past few months of study by the Planning Board consultant, and an assistant to Mr. Walkie.

Maglio assured the meeting that the changes, to which both sides seem to have agreed, had been shown to the Moderator, John Callan, and that he was willing to accept the changes in the town meeting.

Andover selectmen give gravel go-ahead

The proposed gravel operation on the Sciarappa farm has cleared one more hurdle. The Andover Board of Selectmen last week approved a gravel permit for land in Andover which is to be taken from the Sciarappas by the Town of North Reading.

The new permit covers a parcel in Andover adjacent to an area for which the Wilmington Board of Selectmen approved a similar permit last month. The area involved is a parcel of less than two acres, located at the Andover-Wilmington-North Reading town lines. The area is not far from Route 125, near a gravel pit that was

Fincom vote on Town Meeting articles

The Wilmington Finance Committee has totally or partially approved 15 of the articles in the warrant for the town meeting, and has disapproved of nine.

Two articles are divided up into segments for approval Articles 5 and 6, budget and equipment, and hence do not fit into either of the classifications mentioned in the first paragraph. Two other articles, 39 and 40, having to do with Planned Residential Development, have no recommendation. The Finance Committee recommendation will be to follow the action of the Planning Board, on those two articles.

Specifically disapproved are Article 8 (Veteran's Clubhouse); 17 (Community Schools); 19 (Land taking, Federal and Woburn Streets); 22 (Purchase of Garden of Eden); 23 (Transfer Salem Street land); 25 (new sign bylaw changes); 33 (sale of land to John Melvin); 35 (amend price of land previously sold); and 36 (change of zoning on Concord Street to Neighborhood Business District).

The Fincom approved Article 31, sale of land to Angelo and Thelma Grassia, off Chestnut Street, but only with a 26 foot right-of-way.

Close call

A young woman working in the Wilmington Jack-in-the-Box restaurant had a close call early Saturday morning.

A man entered the shop about 12:55 a.m. and asked for a hamburger. When she presented it and asked for the money, he pulled a knife and demanded that she open the register. She refused.

He lunged at her, slashing her clothes, but just missing her. The assailant fled south on Main Street.

Pair arrested in school break

Two youths have been charged with breaking and entering, larceny and malicious damage in connection with an incident at the West Intermediate School in Wilmington at midnight Friday night.

Officer Bob LaRivee discovered a break at the school at 12:05 a.m. After calling for help, he went inside the school, where he encountered two

juveniles, a boy and a girl.

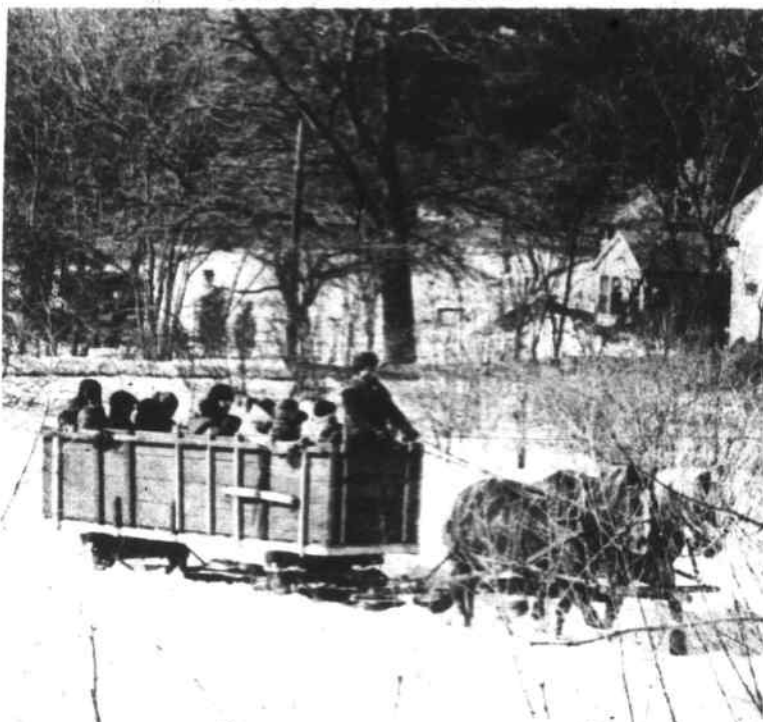

The youths fled through the corridors of the school. Officer Larry Redding arrived soon thereafter, and took up the chase. The youths were apprehended.

The pair had been on a trashing spree in the school, causing extensive damage.

Vandals' damage

The damage to the teachers' lounge above was typical of the havoc wreaked on the West Intermediate School in a trashing spree last Friday midnight. Police arrested a pair of juveniles at the scene.

Sleigh day

Sunday was a busy afternoon for a pair of draft horses, drawing a sleigh through the woods and fields near the Harnden Tavern. Hundreds of people turned out for the sleigh ride, sponsored by the Friends of the Harnden Tavern.

Coach Kelley's track wins fincom approval

Francis Kelley can rest a bit more easily. The Finance Committee has approved his new running track.

Coach Kelley is a man who is tremendously dedicated to the youth of Wilmington. A math teacher in the high school for 20 years, he has also been the head coach of the track and cross-country teams.

The condition of the high school track has deteriorated in recent years, and it became evident that minor repairs would not do the trick. A complete rebuilding of the track would be needed, and that meant an article in the annual town meeting.

Throughout his tenure at Wilmington High School, Kelley has been a resident of Waltham. But he

wanted that track, and he wanted to be able to muster support for it at the town meeting.

Last year, Kelley bought a house on Everett Avenue in Wilmington. He and his mother are now Wilmington residents.

Kelley appeared before the Wilmington Finance Committee on February 13, to speak for the two articles relating to his track project. Article 15 is a land acquisition article, and Article 16 concerns the construction work.

The Finance Committee approved both articles. Article 15 will be amended on the floor of the town meeting to accept a gift of some land. There will be no purchase involved. Article 16 will ask for the appropriation of \$80,000 for the necessary construction.

Having secured fincom approval for his project, Kelley now awaits the town meeting. The track articles might have to wait for the second session of the town meeting, but Kelley will be there.

Registration delayed

Selecting courses for next year is difficult enough without having a blizzard play havoc with the process," said Principal George O. Eisenberg of Wilmington High School. The storm caused the cancellation of Expo '78 evening portion and the tight gymnasium schedule prevented it from being rescheduled.

Dr. Eisenberg, said that parents who want to discuss someone at night to discuss their youngster's program for next year are asked to call him at 658-4463 up to Monday, Feb. 27 at 3 p.m. Based on these calls, he will schedule an appropriate evening meeting.

Scheduling 1400 high school students is a complex task. Two evening programs, attended by over 100 parents have already been held.

Colleen Dowd and Debbie Bent combined for 29 points as the Diamonds outlasted the Jades 41-37. Laurie Hastings led the Jades' attack with 17, while Julie Hancox chipped in with 11 points.

The Emeralds held on to down the Rubys 31-24. Karen Andres and Joanne Maga each threw in 10 points. Anne Domigan led all scorers with 16 for the Rubys.

Sr. boys: The only boys' game of the day saw the Royals shade the Lakers 51-49. Matti Phillips led the Royals with 16 and Gary Hastings led all scorers with 20 points.

Sun. Sr. girls: The Rubys bounced back - shading the Jades 31-28. Janelle Fitch paced the Rubys with 11 points.

Kathy Madden pumped in 16 and Pat O'Reilly added 14 as the Crystals stopped the Diamonds 50-42. Deb Bent paced the Diamonds with 22 points.

Sr. boys: The Royals walked over the Knicks 56-37. Marty Sullivan hit for 18 as did Jeff Lyman for the Knicks.

Mike Fillipone (21) and Jim Bossi (18) led the Bullets past the Lakers 68-54. Gary Hastings and John Harris combined for 34 points for the Lakers.

WHS survives 'Makeup Madness'

Wildcats run Redmen ragged 70-53

The winter disease is called "Makeup Madness" and the cure comes when a team showcases the hustle and enthusiasm of coach Bob Milley's WHS basketball kids. A tip of the local roundball hat and a week in bed with lots of liquids is in order after the Wildcats came through a five game in eight day makeup slate thanks to the Blizzard of 78 with three wins to stick in the faces of all the people who said this town could never field a winning basketball team.

The disorganized Tewksbury Redmen were the victims Tuesday night as the front line of Dick Dowd, Randy Foster, and Mark Peabody pounded both backboards enroute to a convincing 70-53 win that capped off the exhausting week in fine style.

The full house at WHS appreciated the boys' effort with several rousing ovations at the game's end that saw WHS building the lead that they had held all the way. They led 18-12, 36-27, and 49-39 at the quarter points before turning the game into an old-fashioned blowout - a rarity in years past when Wilmington was usually on the bottom of the MVC pack battling the big boys.

Speaking of those big boys - Chelmsford and Lawrence came to the WHS gym last week and were battled tooth and nail by the Cats. Both teams are looking for tournament berths and the Cats proved that they belong on the same court with a hang-tough 11 point loss to Lawrence last Thursday night and one point overtime heartbreaker to Chelmsford Monday night.

The Tewksbury win proved that this team is well coached and in shape if nothing else. Dowd was coming off an 18 point, 16 rebound gem the night before against Chelmsford's Sherwood Forest of a frontcourt - and the lanky kid was superb again with 15 points and an intimidating job defensively in the Tewksbury win. A Dowd block on Redmen guard Tommy Saunders sealed the win before guard Tom Stewart closed the lid with a free throw that gave Wilmington a 57-47 lead with 3:15 left in the game.

Foster led the WHS attack with 18 points while Stewart finished with 15 to knot Dowd for second spot in the scoring parade. Steve Woods chipped in with 10 Wildcat points.

Tewksbury's Ray Tremlett led all scorers with 22 while power forward John Hurley hit for 15. Saunders was limited to just nine points by the stingy Wilmington defense headed by Dowd in the middle.

Monday night the Cats nearly pulled off their second major MVC upset of the season when they came within a rim roll of taking home a one point win. Wilmington lost to Chelmsford 61-60 when Dowd's rebound of a Woods long bomb rolled off the rim at the buzzer.

The Wildcats had led for most of the game until Lion guard Dave Walsh tossed in a jumper with 12 seconds left in regulation and then sank a free throw with 10 ticks left in OT to give the visitors a much needed win in their scramble for a tournament berth.

The teams battled to a 56-56 stan-

doff after four quarters of play. The Wildcats had led 44-40 after three quarters and 30-29 at the half after trailing 13-9 at the end of one stanza. After falling behind 61-60 in the overtime, Wilmington had chances to tie it up at the foul line, but Peabody and Dowd missed free throws.

The Wildcats had the Lions in foul trouble early in the second half and they worked it to their advantage with Dowd waging a steady war with Lions' Mark Oliver and Pete Thompson under both backboards.

Stewart and Foster each finished with 12 points while Woods hit for 10. Oliver led the Lions with 15 with Thompson scoring 13 and hauling down 18 rebounds.

Friday night (Feb. 17) Wilmington manhandled Central Catholic 67-55 with more backboard domination. The Cats took a 17-16 first quarter lead and the Red Raiders were forced to play catch-up from that point on.

Dowd was tough inside with 18 points while Foster popped in 16. Woods and Stewart helped out with nine points apiece. Peabody hit for eight while guard Sal Carbone came off the bench to score five points.

The previous night another Lawrence team rolled into town and kept its streak to a tourney spot going with a 65-54 conquest of the Wildcats. Lancer center Gil Desrosiers got the upper hand on Dowd in this game as the big LHS kid scored 28 points and triggered the offense with solid rebounding at both ends of the court. Desrosiers hauled down 15 rebounds to solidify his claim to the ALL-MVC berth at center.

Lawrence came out in their new road uniforms looking to avoid another upset at the hands of Wilmington (they had lost earlier at home 60-59) and used its height advantage to take an early lead. Dowd fouled out with just 10 points as Desrosiers and Sammy Johnson kept him in check.

Stewart was the top man with 17 points while Woods was the only other Wildcat in double figures with 10. Streak-shooting Kevin MacLean hit for 17 Lancer points to round out the scoring leaders.

Tuesday night (Feb. 14) the regularly scheduled game with Dracut was a 61-40 cake walk as Foster and Dowd combined to score 48 points. Foster and Dowd got up off the floor to lead the attack as Randy suffered a head cut and Dick lost a tooth in the battle underneath.

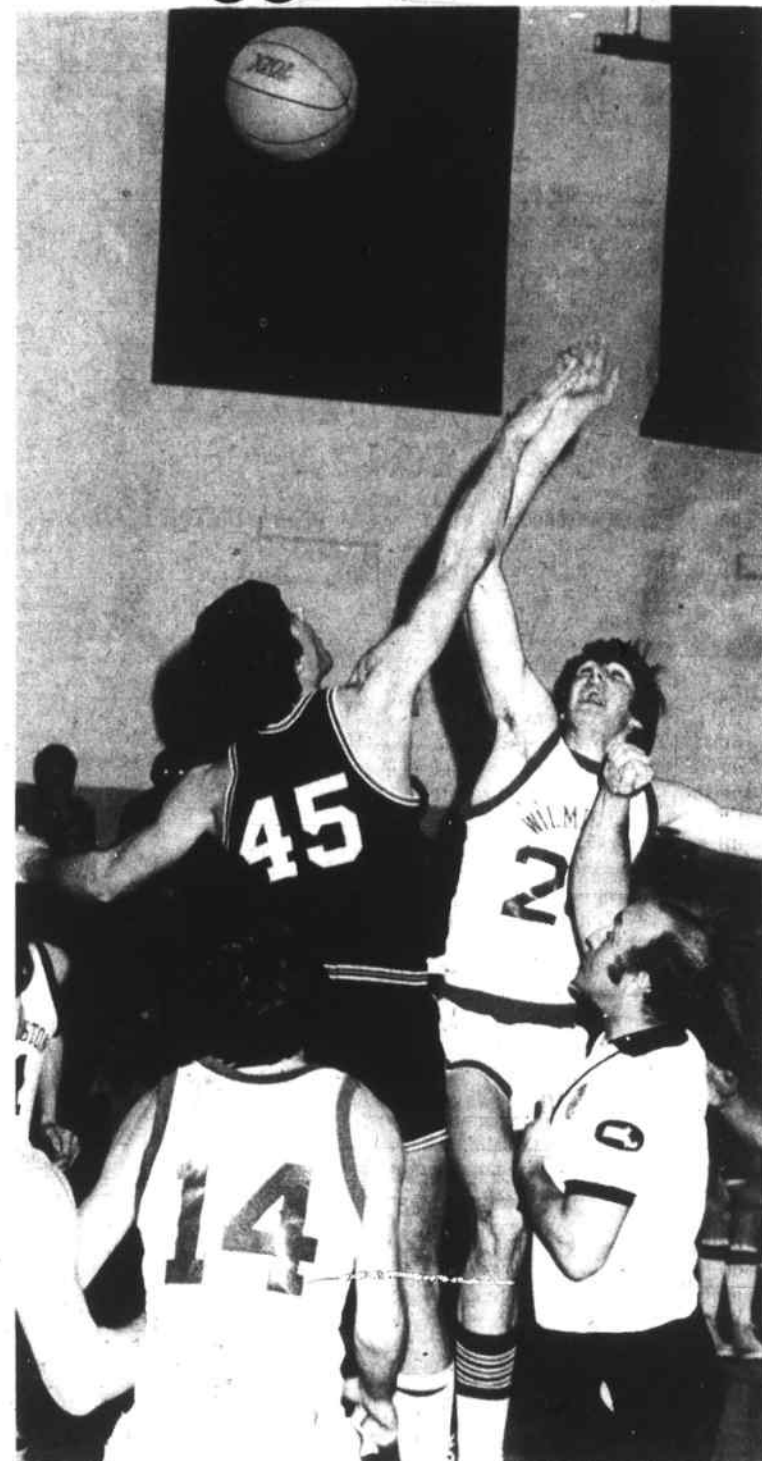

The wild week leaves the Wildcats with a 9-9 record for the season - a season in which they surprised a few people with their grit in the face of a losing tradition that was mercifully lifted in '77-78.

Swim meet a success

The Wilmington Recreation Department is sponsoring its fourth annual Junior Winter Carnival during this February school vacation week for all Wilmington intermediate students.

One of the first time events held this year was the swim meet at the Shawsheen Tech pool on Monday, February 20. Over 60 students from both the North and West Intermediate schools participated in this event and a fun-filled afternoon was enjoyed by all who attended.

A snow sculpture contest, another first time junior winter carnival event, will take place Friday morning on Wilmington common from 9 a.m. to 12:30 p.m. Basketball games will follow at the high school gym Friday afternoon.

Upon completion of the basketball games the travelling trophy will be awarded to the school compiling the most total team points during the week-long activities.

Lions dampen Wildcat tourney chances

The Chelmsford Lions put a serious crimp in WHS hockey tournament plans Monday afternoon with a 7-1 romp over the Wildcats at the Forum. The streaking Lions scored three times in five minutes late in the first period to put the Wildcats away early.

Now Wilmington must hope that Austin Prep splits its two makeup games with Lawrence Central and Dracut - which is unlikely. If the Cougars do manage to win one and lose one that would force a three way tie for second place among Austin, Chelmsford, and Wilmington - meaning all three teams would go into post season play. As it stands now the Wildcats better pray that Vin Carace and Pete Pascoe have hot games in net for their respective teams. Pascoe is capable of stemming a Cougar tide as the Middie goaltender has set an MVHL record this season with 611 saves.

A win over the Lions in the makeup game Monday would have saved the Cats this grief, but they appeared tight and the offense could only muster a goal by Steve Mickie at 4:59 of the third period. That ruined Lion netminder John Tyros' shutout. Chelmsford fired 23 shots at WHS netminder Rick Ballou while the Cats had just 12 for the game. It was only the second loss for the Wildcats (6-2-1) in their last nine games. The Lions closed fast at 6-1-1.

Saturday (Feb. 18) Wilmington kept the tourney fires burning with a 3-2 win over Tewksbury. The Wildcats made sure that the Redmen were going nowhere as they handed them their third loss in their last five games after erasing a 1-0 TMHS lead taken in the first period when leading scorer Ed Breen pumped home a powerplay goal at the 1:27 mark.

Mickie tied it at 1-1 when he pocketed a goal on a scramble in front of Redmen netminder Charlie Barbour at 7:58. Billy Blaisdel and Jay Walden had the Wildcat assists on the play.

Barbour was solid as a rock in the second period while stopping 13 shots as defenseman Joe Silva gave the Redmen their second lead of the game with a shorthanded goal at 3:13. Breen picked up the assist on the play and TMHS led 2-1.

The Wilmington shots on net advantage continued in the third period as coach Ken Palm's club built up a 28-11

Wildcat goaltender Rick Ballou comes up with a big save in Saturday's 3-2 win over Tewksbury that kept the WHS tournament chances alive. Tom Bavota (15) and

Paul McMahon (12) move in to help the freshmen netminder protect the puck.

edge for the game. The Cats had several scoring opportunities tipped just wide in the third period that saw Barbour scrambling to keep Tewksbury in the game. Brian Tighe eventually tied the game at 2-2 on a powerplay goal at 6:13 of the third period. Paul McMahon had the Wilmington helper.

Vet Mike Carlin lit the lamp for the game winner later in the period when he pocketed his 14th goal of the MVHL campaign. WHS freshman goaltender Rick Ballou turned stingy in net over the final five minutes that was highlighted by his save on a burner by Tewksbury co-captain Jim Lynch in the final minute. Lynch let go with a 50 foot shot through a screen and Ballou came up with the big stop to protect the WHS lead. Corbett yanked Barbour with 50 seconds left, but the Cats held off the last minute charge. Barbour was the mainstay all the way for TMHS with 25 stops while Ballou came up with nine for the Wildcats. The loss dropped Tewksbury's overall record to 13-6-0 for the season 12-6-0 in the MVHL.

Wednesday (Feb. 15) Wilmington rolled over Central Catholic 5-1 with Blaisdel leading the way with two goals. Dennis Foley, Todd Richards, and Walden had the other WHS scores.

Little League final registration

The final registration for the Wilmington Little League will be held Saturday, February 25 at the American Legion Hall between 10 a.m. and 2 p.m.

Age requirements for Little League and softball are as follows: all players must reach their ninth birthday and not their 13th before August 1, 1978.

Age requirements for the Senior League are as follows: All players must reach their 13th

birthday and not their 16th birthday by August 1, 1978.

There will be a charge of \$5.00 per registrant with a maximum of \$10.00 per family to help defray equipment costs. This fee is non-refundable. All new registrants must have a birth certificate.

All Senior League, Major League and softball players returning to the teams must register.

WHS tracksters shine

Six Wilmington High trackmen picked up points for coach Frank Kelley's team in Class C State track action last week at the Reading High Field House. Dana Spring led the Wildcats eight point pickups when he finished fourth in the two mile with a 9:55.3 time. Bedford's Joe Collins won the two mile with a 9:47.4 time.

Wildcat John Mucci qualified with a sixth place finish in the mile in 4:47.3.

and hurdler Roger Coville made it to the semi-finals of his event after times of 6.3 and 6.4.

Doug Martyn failed to make the top 10 in the 600 as he came in with a 1:21.7 time. Teammate Kevin Cogan missed out on the 1000 (2:33.0) while captain Greg Hancox just missed qualifying in the 1000 with a 2:30.3 time that was good enough for 11th place.

WHS girls top Lowell

Sophomore Sue Rowe pumped in 15 points and hard charging Janet O'Reilly canned 12 last Friday afternoon as the WHS girls basketball team topped Lowell 47-41 in non-league action. Janis Bilby paced the Lowell at

tack with eight points.

In MVC action earlier in the week first place Lawrence rolled on with a 56-36 romp over Wilmington. Lancer Lynne Caruso was the dominant force with 29 rebounds and 26 points. The

Rested Squirt A's topple Wakefield 7-3

The Squirt A's apparently thrive on rest. After two lack-lustre outings and two weeks off because of the storm, the team skated Saturday (Feb. 18) and bombed a Wakefield club that has been tough for them in the past. The 7-3 final is indicative of the barrel full of Wilmington shots that were fired at the Wakefield net.

Wakefield opened the game with some heavy checking but the home team gained the physical control with Dave Lux finishing a lay from Mike Newhouse and Dave Richards. After Wakefield evened it at 1-1 Don Constantino put the A's back in front, scoring on a Dave Buzzell pass. The score was tied again at 2-2, but Bill Woods talked with 1:14 left in the first period, assists going to defensemen Tom Craig and Dave Fuller after a fine blue line play.

The Squirts took control from that point as they scored two more goals in both the second and third periods, while allowing just one power play goal.

The scorers were Dave Richards (two), Ken Richter and Dave Lux again.

The assists went to Lux (two), Buzzell, Richards, Constantino, Woods and Newhouse - his second of the game.

The defensive play of Scott Poole (great one on one stop when the game was close) and Dan Kane's goalmouth clearing efforts with the goalie down and out provided Bill Wolfe all the help he needed in turning back several Wakefield scoring chances.

Robbie Palmer and Scott Fuller both moved the puck well on the wings and pressured Wakefield with effective forechecking.

Cambridge nips Bantam A's

February 16: The A's dropped a 4-3 decision to Cambridge last Thursday. Less than two minutes after Cambridge had scored Brian Butler tied it up assisted by Mike Stokes and Donny Josephson. At the 12 minute mark of

the second period Darryl MacDonald made it 2-1 assisted by Billy Robinson and John Cushing. This was followed less than a minute later by the A's second power play goal of the night-a Rick Zambarnardi score assisted by Mike Crimmins and John Murphy. Cambridge came back with two goals 14 seconds apart early in period three to tie and with 1:44 left scored the winning goal.

February 18: Wakefield tied the A's 3-3 in a heavy hitting game. Mike Crimmins scored first only six seconds into the game on an unassisted effort. Wakefield scored twice in the second stanza before Rick Zambarnardi tied it 2-2 assisted by Crimmins.

At the 14:30 mark of the third period Crimmins got his second of the game assisted by Brian Butler. Wakefield tied it 3-3 with four minutes left in the game. Jeff Lux stopped 19 of 22 shots.

February 19: A large group of alternates was brought up for Sunday's game with Burlington. The group of Burbine, Davies, McCue, MacMullen and Williams did an excellent job against a very good Burlington club. The A's were outshot 25-15 with Jeff Lux stopping 20 of 25 shots.

Squirt B's steady

The Wilmington Squirt B's have played their steadiest hockey of the season over the past few games with the emphasis on defense and hard work. The team has posted wins over North Reading, Waltham and Wakefield.

The weather outside was very cold, but the action inside was red hot as Wilmington nipped North Reading 2-1. All the scoring was crammed into the first period. Ralph Newhouse tied the game with an unassisted goal before Chris Athanasia put Wilmington ahead to stay with an assist to Mike Stuart. The remainder of the game was packed with hard-hitting action as the B's held on to the lead.

Pushcarts Three act musical comedy to benefit scholarship fund

"Pushcarts," a three act musical comedy will be presented by members of the Wilmington Teachers Association and Wilmington School Department personnel.

The forthcoming production, written by and under the direction of Dom DeGrazia and Lorraine M. Kall of the Music Department staff, will be held Thursday, Friday, Saturday, April 27, 28, 29.

From the first electrifying fanfare of the overture, Pushcarts transports you to a friendly, city neighborhood of the 1930's. Though this decade was marked by depression, you will share in the lives of people who worked hard, lived simply, loved, laughed, cried, and knew compassion. The cries of the Pushcart vendors and newsboys, heard over the sounds and songs of the street, make Pushcarts a heartwarming and memorable experience.

If you lived through the 30's, this musical offers humor and nostalgia. If you missed the 30's the first time around, it will allow you a glimpse of Americana before television, cars without running boards, laundromats and supermarkets.

Bucko's enjoy big lead

No. 11. Shell 5-Blues 2
The Shell lead by Mike Connor's two goals jumped out to a quick 3-0 lead after one period and then coasted home with a big win over the Blues.

Greg Corcoran, Dana Mullarkey and Paul Capozzi chipped in with individual scores while Don Hudson and Bill Kelley were the Blues marksmen.

Fred F. Cain 4-Leo's Canteen 1

The Caimmen scored in each period and played good two-way hockey to send Leo's down to their fourth straight setback. Wally Newell and Fred Medougn accounted for the scores with two goals each.

Tony Rosatti had an ex-

cellent night in the nets as he held the Canteenmen at bay until Alan Dunlevy got one past him with a little over a minute to play.

Bulldogs 5-Bucko's 0

In the biggest upset of the year, the Bulldogs played solid team hockey to completely roll over the league rolling Bucko's. In the total team effort, six individual scorers led by Jim Donahue and Bill McLaughlin (two goals each) and the shutout goal tending of Rod Fraser, started with a goal in the first minute of play and never looked back as the completely outplayed 5th Bucko's.

Individual scorers included Don Ciampa, John Kalkana-jian, Brian Harvey and Kevin Giles.

Leo's Canteen 6-No. 11. Shell 2

With John Carlino and Alan Dunlevy leading the scorers and Leo O'Connell backboning the defense, the Canteenmen put a halt to their midseason slump with a convincing win over the Shell. John Haggerty and Rick Johnson added solo scores and high scoring Frank McLean earned the two Shell scores.

Bucko's 7-Blues 5

The Blues gave the Bucko's all they could handle as they just wouldn't quit and kept

A slip?

The Town Crier regressed last week.

There was a story, a nice one, about an auto license display at the Reading Savings Bank. It was all set up in the paper, when someone noticed an error about the time, or something.

So a new paragraph was set in type, correcting the error. It should have been left alone. That correction was just what was needed to prove that once the Reading Savings Bank was known as the Mechanics Savings Bank.

Needless to say, the display is at the Reading Savings Bank, 123 Haven Street, Reading.

Ballroom dancing

The next session of adult ballroom dancing will begin on March 13.

The Recreation Department sponsored program will consist of beginners, intermediate and a level four class.

The level four class will consist of those who have completed level two and or three class.

Each class runs for one hour each Monday evening for 10 weeks.

Inter-mediate class meets at 7 p.m.; beginners will meet at 8 p.m. and level three will meet at 9 p.m.

REAL ESTATE CORNER
By C. McAvaney
Realtor

Should you buy a home or pay rent? Sit down and figure out the comparative costs. The answer you get will indicate you really must buy. Let's take a look at some typical figures.

Say you're buying a \$24,000 home. You make a down payment of 15 per cent. You take out a 25 year mortgage at six per cent. This would give you a monthly payment of about \$135. Taxes, insurance and maintenance bring the total to around \$204. But, meanwhile you're gaining an income tax savings. You're also building an equity in the home. Deduct the savings and equity from your payments. This leaves you with a net monthly cost of \$140.

Can you rent a \$24,000 home for \$140?

Can you re-sell rent receipts as you can a home.

David LaRivee honored at Academy

Cadet David R. LaRivee, son of Mrs. Alfred S. Cariglio of 18 Roberts Road, Wilmington has been named to the Superintendent's List at the U.S. Air Force Academy in Colorado.

Cadet LaRivee, a member of the class of 1980 is now entitled to wear the distinctive insignia of a silver star encircled by a silver wreath in recognition of this outstanding performance. The silver star recognizes academic achievement and the wreath symbolizes military achievement. To be eligible for this honor, cadets must be in the upper third of their class militarily as evaluated by their superiors and peers. They must also achieve a semester grade point average of at least 3.0 on a 4.0 scale.

Cadets eligible for the Superintendent's List have demonstrated that additional responsibilities and privileges can be entrusted to them. The Superintendent's List is the highest honor a cadet can be given for academic and military proficiency.

Cadet LaRivee is a 1976 graduate of Wilmington High School.

Jacobus at Ft. Benning

Specialist Four Samuel C. Jacobus Jr., son of Mr. and Mrs. Samuel C. Jacobus of 29 Linda Road, Wilmington has recently been assigned as a generator mechanic with the 36th Engineer Group at Ft. Benning, Ga.

Spec. Jacobus entered the Army in March 1976. He is a 1969 graduate of Wilmington High School.

Emergency B & M schedules

Service on the commuter rail lines of the Boston & Maine Railroad was cut, on Tuesday 21, about 25%. The cut was made so that storm damaged locomotives and cars could be repaired, and is expected to last about sixty days.

The damage was a result of a combination of extremely heavy passenger loads and almost nonstop use of rail equipment after the Blizzard of 1978. Because of the ban on the use of automobiles the B&M carried 110,000 passengers on February 13th - 80,000 more than normal, and similar loads were carried on other days.

Bits & Pieces

Additional Birthdays
Marilyn Coyle of Mills Street, Tewksbury was serenaded with "Happy Birthday" Saturday night, February 18 by all who attended the Tewksbury Youth Baseball dance at K of C Hall in Tewksbury.

As the clock struck 12 midnight, ushering in February 19, Mary Sprague of Brookfield Street was serenaded on the occasion of her birthday.

Modern & Square
Modern and square dancing will be enjoyed at K of C Hall in Wilmington on Saturday, March 4 beginning at 8 p.m.

Helping Hands
On Sunday, March 12, there will be an organizational meeting for a Helping Hands group for widows and widowers at the First Baptist Church in Wilmington beginning at 8 p.m. For information call Dave Landers at 658-3039.

Paper collection
Cub Scout Pack 63 will conduct a paper collection on Saturday, March 4 at St. Thomas Church grounds, 9:30 a.m. to 2 p.m.

Mrs. Adams home
Mrs. Jean B. Adams of Arlene Avenue, Wilmington has returned home from Winchester Hospital where she was confined for over two weeks after suffering a heart attack on January 28.

Mrs. Adams is progressing well, but expects to be confined to her home for a little while longer.

On Dean's List
A Tewksbury student and five from Wilmington have been named to the Bentley College dean's list for the fall semester including: James F. Kelliher of 17 Kent St., Tewksbury; and Joyce Brisbois, 14 Boutwell St., Wilmington; William DeLisle of 14 Chestnut St., Wilmington; Donald Gould of Larson Road; Lauren Neville, Chestnut Street and Andrew C. Stone of Sheridan Road.

Townsmen help
Members of the Townsmen Barbershop Chorus were among good Samaritans aiding storm-weary shoppers by bagging groceries at a local supermarket in Tewksbury on the Saturday following the blizzard. Occasionally the group brought forward a quartet to sing for the shoppers.

The Townsmen Chorus encourages all men who enjoy singing to join the group each Tuesday at 8 p.m. at the Unitarian-Universalist Church on Route 133 in Andover, near the I.R.S. building.

Bits & Pieces

Birthdays
Valentine's Day marked the 65th birthday of Kay Whitman of Rocky Ave., Tewksbury. Diane Nottebart of Draper Drive, Wilmington will blow out the candles for the 18th time on February 22.

According to a usually reliable source, Ray Spahl of Draper Drive, Wilmington will be a year wiser on February 26.

Jonathan Trefry of Burlington Ave., Wilmington will celebrate his 14th birthday on February 28 and will share greetings with Michelle Fitzpatrick of Allen Park Drive and Jill Murphy of Crest Avenue. Jill will face a birthday cake glowing with two candles on February 28.

Although she's been claiming the day longer, Helen (Reynolds) Brady of Roberts Rd., Wilmington will have to share her March 1 birthday with twin brothers Mark and Luke Riddle of East St., Tewksbury and George Boudreau of Roosevelt Rd., Wilmington. The Riddle brothers will be celebrating for the 18th time and George for the 14th.

Miss Riddle of East St., Tewksbury will make it all the way to 12 on March 2 and will share greetings with Mickey Lynch of Grove Ave., Wilmington. Mickey will blow out the candles for the fifth time.

John Maga of Oakdale Road, Wilmington, on whom somebody snitched will be celebrating his special day on March 3.

According to the records at hand Jonathan Hensley of Andover St., Wilmington will blow out the candles for the 10th time on March 4 and will share his special day with Joe Balestrieri of Railroad Avenue, Wilmington.

Miceli hits county government

County government and related costs are too much of a burden for the taxpayer, and should be eliminated, said Rep. James Miceli, guest speaker at the Tewksbury Rotary meeting last week.

The form of government is "archaic" and was developed in the past because of the poor transportation that engulfed the state, according to Miceli.

Miceli, a four-term former selectman, from Wilmington, is a state representative from Billerica. This year his district will include Wilmington and Tewksbury. Tewksbury this year is represented by Jay Gaffney.

Miceli has served on the Joint Legislative Committee on Human Services and Family Affairs. He spoke of his committee and rising costs in

the budget. He told of formula changes in education benefits that actually will give the towns in the area less funds for their programs in the future. He spoke of a midstate regional school board and of their efforts to economize and purchase buildings formerly used in industrial parks now used to provide students with vocational facilities. An increase in welfare, the doubling of funds for home services, some away programs and now at budget time, every program becomes a priority. He spoke of his efforts to cut out County government, and of losing out by 11 votes to sustain a vote by the governor. He hoped next year for a better budget. Court reform, he said, would help this county, with the state taking over

Rep. Jim Miceli of Wilmington, speaking on County Government last Thursday, at the Tewksbury Rotary.

the new county courthouse.

After a brief speech, he was open for questions with the emphasis mostly on the payments by employers on jobless pay to 400,000 persons who lost paydays to the blizzard last week. Half a dozen speakers objected to the form of payment through the employers, but Miceli explained that it was either one of two steps: to take the money out of the general funds, and thus deplete the money to be turned over to cities and towns later or penalize the businessman. He himself is a businessman and related how he tried to open up his office, and others in Wilmington, who could not because of the lack of help.

Both the House and Senate completed preliminary approval of the legislation last Wednesday and signed by the Governor Thursday.

"Political suicide" to defeat the workers' compensation bill was the explanation given by Miceli stressing the lobbying provided by unions.

He spoke briefly on the lobby world, of the unions, and of the strongest unions, off the cuff. He spoke of plans to close a county hospital only to

be defeated in this and his struggles to cut down on county expenses.

He blamed "apathy" as the biggest crime of the voter for allowing many of the actions to run rampant in government.

He said that he would look into the old Hoover "Baby Commission" that had made a report on hospitals and one speaker, reminded him, that it was gathering dust at the hospital.

Miceli is to be a candidate for representative this year to challenge Gaffney, with the man he defeated last year, Robert Cain, also hinting at being a candidate for the new representative's post which would include Wilmington and Tewksbury.

Arrest

Wilmington Police arrested two Tewksbury youths on Friday at 5:30 p.m. for the possession of Class B (barbiturates) and Class D (marijuana). They were apprehended in the vicinity of Tattersall's store at Silver Lake. Both were juveniles.

Reading Co-op gives \$5,000

Reading Co-Operative Bank last week contributed \$5,000 to the Building Fund for the Regional Health Center in Wilmington.

The Regional Health Center is a 27,000 square foot ambulatory care center, now under construction at the intersection of Routes 93 and 62. The Center is slated to open later this year.

The presentation of the gift was made last Friday in the Bank's Wilmington office on Middlesex Avenue, by Bank President Paul E. Case, Executive Vice President Leslie D. Stark, and Assistant Treasurer Philip G. Dalrymple. There to accept the check were Building Fund Chairman Raymond A. McNamara of McNamara Tire Company, Major Gifts Chairman Sanford K. Carlisle who is Manager of Manufacturing and Engineering for Diamond Crystal Salt Company, and Arnold C. Blake, a Building Fund campaign volunteer.

The Building Fund is a major capital campaign to raise \$1,000,000 of the cost of the \$3,500,000 ambulatory care center. Campaign Chairman McNamara indicates that about one-half of the total is expected to be raised among area business, industry and commercial establishments. He expects that the remaining funds will be contributed by civic and service clubs and organizations, individuals and Boston area charitable foundations. It was reported that \$300,000 has been raised thus far.

The Regional Health Center is a joint venture between Wilmington area communities represented by the Regional Health Center Association and Choate Memorial Hospital in Woburn. Featured in the Regional Health Center will be 24 hour walk-in urgent care, laboratory, x-ray, physical therapy, social service, family counselling, community health education, and physical fitness programs. The facility will also contain 16 doctors' offices.

HOW to Write a Person-to-Person Classified Ad that Sells!

GOLF CLUBS, Wilson K28, full set, with blue and white Atlantic bag, damaged number three iron, cost \$400. Will sell for \$225. Phone 000-0000 after 6 P.M.

STATE THE ITEM
Tell your readers exactly what you're selling right away. Don't bother with fancy features yet. They don't want to know it's a "Wilson K28" until after they know it's a set of golf clubs.

BE HONEST
Don't omit obvious flaws or exaggerate the quality. "Never used" might get lots of calls but "damaged number three iron" may get more offers. Your readers want to buy from someone they can trust.

GIVE ENOUGH INFORMATION
An ad that's too short becomes expensive if it doesn't sell your item. "Golf Clubs, 000-0000" leaves the reader with too many questions. What kind? What model? Condition? State the price or say "Make an offer."

MAKE SURE CUSTOMERS CAN REACH YOU
Just a phone number is enough if you will be home all the time the ad is running. If not, your caller may get discouraged and decide not to call back. By adding "After 6 P.M.," your customer knows exactly when he can reach you.

GET TO THE POINT
Avoid long-winded language when short phrases will do. "Super deluxe, attractive blue and white Atlantic bag" can be shortened to "blue and white Atlantic bag." That way you can convey a lot of information while taking advantage of our low Person-to-Person rates.

A well-written classified ad will sell just about any item or service you're selling. The example above suggests a few ways to make your ad effective. But even the best ad won't do the job unless you put it in the right place. In our Classifieds. In the Classifieds, your ad will reach your best prospects at the lowest price. It will be read by ready buyers in your area, the ones most likely to come over and complete the sale. So when you're placing an ad for anything, make it count. By writing it the right way and putting it in the right place. In our Classifieds.

School Committee candidates respond to LWV questions

1. What is your background and experience do you feel qualifies you as the best candidate for School Committee?

2. To what extent should the School Committee members be involved in the day-to-day operation of the school system? In long-range planning?

3. In what ways would you suggest the present school system be adjusted to meet the declining school population?

School Committee Jay Tighe

1. Being a concerned parent and local businessman, I have devoted a very busy year as a member of the School Committee. This experience qualifies me as the best candidate for School Committee.

2. The School Committee should not be involved on a day-to-day basis in the operation of the school system, but it is the School Committee's responsibility to set long-range goals.

3. Unquestionably, the declining enrollment (728 students less in five years) means we will be closing one of the older schools. I feel we must go back to the basics. Our SAT scores are down. In my opinion, we have too many electives and not enough emphasis on the basics. Discipline is a problem - we must face the fact that there are some students who do not want to be educated. It is not fair to the students seeking an education to be disrupted by a small minority not seeking an education.

School Committee Phillip Fenton

1. To me, my most important qualification is the fact that I am a concerned Wilmington parent. My four years experience as Committee Chairman for Boy Scout Troop 138 has made me sensitive to and aware of the problems of Wilmington's youth. As an employee of the Wilmington Postal Service and local Real Estate Broker I am employed in the town and am aware of the town's concerns through dealings with its citizenry on a daily basis. I am always in contact with parents and their children.

2. In my opinion School Committee members should be involved in shaping policy that will effect the day-to-day and long-range operation of the school system. It is the responsibility of the administration to implement this policy.

The commitment of the school committee is to evolve a broad educational philosophy for the benefit of our children and oversee the development of programs that will support that philosophy. Curriculum programs should continue to be approved and fostered by the School Committee. For instance, I would like to see the high school offer a course in Parenting, since many high school graduates become parents within five years after graduation.

3. To meet the declining school population I suggest that teacher-pupil ratios be attained at levels consistent with quality education. Teacher attrition and opportunities for early retirement coupled with a seniority system should solve excess personnel problems. Renting of phased out school buildings as in the case of the Whitefield School, is a short-term solution to the excess space problem.

Long-range planning for the disposal of school property should be done with the cooperation of the combined town committees. There are building needs in the town such as a larger town hall and a senior citizens' center that might be met by using phased-out school buildings.

4. Teaching basic skills which will equip students for everyday life should be the focus of public education in Wilmington. The basic skills of reading, writing and arithmetic need to be stressed at all grade levels. These areas of study, on a national level have the recent past been neglected and as a result of national average of the scholastic aptitude exams have reflected this neglect.

It is my proposal to adopt a policy which will bring back traditional educational methods to the Wilmington educational system. It is my sincere belief that by this approach Wilmington's educational system will be second to none.

Candidates speak

School Committee Paul Washburn

1. Probably the best experience or background that I can bring to the School Committee is the fact that I have three children of school age. All through their educational experience, I have been involved and have participated with the school system.

My background in the business world would help in the area of budgeting. Here I feel we should take a hard look at any and all expenses that may come before the committee, always on the alert to balance what is good educationally with what the taxpayer can be expected to bear financially. All too often I hear people in the educational community using the "scare" techniques that cut this or that would deprive our children of basic needs. Let me say that as parents, we put our children first at all times, but as parents we also teach our children that sacrifices are sometimes necessary. This lesson should follow in education as well - sometimes must do without frills that we all would like, but cannot afford.

Finally, a candidate should possess the quality of "common sense" and an open mind.

These two qualities have stood the test of time and ultimately result in good decision making. I feel I possess these qualities.

2. The day-to-day operation is the responsibility of the school superintendent and his staff. I feel the role of the school committee is to oversee and advise when necessary. The committee should, of course, involve itself with any particular problem that may arise. Since the committee is made up of individuals with full time careers, it must rely on the school staff for facts and figures.

The long range planning is an area that the committee has definite responsibilities. The superintendent has done an excellent job of keeping abreast of population trends thanks to our more sophisticated census figures. Here long range trends can be tracked and decisions made with a good chance of success. Today, with our school population decline, long range planning is especially important. Since the committee is a changing one, the planning aspect helps to provide continuity and stability to our school system.

3. Declining school population should help not only in the educational sense, but also financially. Certainly as the decline moves from kindergarten through the grades, we will need fewer teachers. This is not to say that we can look at raw figures and say for every decrease of 25 students we will lose a teacher, but we should expect a decline in this area.

Housing Authority questions by LWV

Housing Authority George Hooper

1. What is your background and experience do you feel qualifies you as the best candidate for Housing Authority?

A. I feel that my experience in business in the area of construction plus my knowledge and experience in my present position as a Special Investigator for the Commonwealth of Massachusetts, Department of Insurance, allows me to have good insight with respect to controls, financing, and administration.

As Chairman of the Housing Authority for three years, I have become totally familiar with the needs and wants of our elderly community. I have become totally familiar with the processes, rules and regulations required to establish lines of communication and the preparation of applications and forms necessary to obtain funding - State and Federal - to fulfill the needs of the elderly and others.

2. To what extent is the current Housing Authority proposal for a new development fulfilling Wilmington's public housing needs? What specifically would you like to see in this development?

A. At best, the current proposal is satisfying only a

The political race in Wilmington is nearing its final week. Last week the candidates for selectmen, above, and two of the school committee candidates spoke before the League of Women Voters' Candidates' Night.

At left, standing, is Robert Cain, unopposed can-

didate for a one-year term on the Board of Selectmen. Next is Michael Cairra, representing Aldo Cairra, Rocco DePasquale, Mrs. Holly Heine, program chairman, Mrs. Maida Eisenberg, president of LWV, Selectman Dan Gillis and Selectwoman Madelyn McKie.

Zero based?

Zero based budgeting is a way of deciding how much money is needed for the forthcoming year. It does not consider the amount budgeted for the previous year. A percentage increase to account for inflation is not accepted. Rather, the need for the activity itself is questioned and each portion of the budget is ranked in priority. The impact of cutting each part on reducing services is described and alternatives discussed. For example, a departmental function might be eliminated and that function provided by outside contractors as necessary.

Hard choices are inevitable when zero based budgeting is fully implemented. The value of zero based budgeting increases as resources (money) become limited. When taxes soar, not only does zero based

budgeting become desirable, but a zero growth budget concept may be considered. The effects of inflation make zero growth possible only by a reduction in services. Then entire departmental activities have to be assigned priorities.

Although zero based budgeting was developed initially by an industrial electronics firm, its application to municipal administration has been subject to various state laws and the collective bargaining process. The Town of Wilmington has initiated the zero based budgeting approach for fiscal 1978-79 and refinements during the next few years are expected to improve the town's utilization of resources, while slowing the growth in the tax rate.

Willing to help

Wilmington Police this week expressed their appreciation to a man who offered to help an officer involved in a scuffle.

Sgt. Jay Palmer said that the offer of help came during an incident at 2:30 a.m. on Saturday morning. Police had released a young man into the custody of his father, but further trouble ensued and the youth ran off. Officer Rob Larivee chased the

youth, and after catching up with him was rolling in the snow, attempting to subdue the young man.

A man living in the neighborhood was passing by, and stopped to offer help to the officer. At that point, Palmer said, Larivee had just about controlled the situation. But he was quite grateful that the man had stopped.
